# APPLICATION PROCESS

## STAR OF THE SEA

The judging panel will strictly evaluate each nomination against the judging criteria for each category. Nominations should therefore provide comprehensive information about the nominee, and strong evidence of how and to what degree the nominee meets the criteria.

### KEY JUDGING CRITERIA

---

Nominations can be self-nominated or made on behalf of someone else.

Nominations are due **no later than 11:59pm (AEST) Friday 2 June, 2017.**

This person may be a seafood supplier, wholesaler, retailer, restaurateur or someone who works behind the scenes in the seafood industry. This person will be an excellent role model for the industry and have the respect of others in the business.

Please provide a brief introduction/overview of the nominee and a one page report detailing the nominee's achievements within the seafood industry and why they are worthy of such a prestigious award.

### Your report should demonstrate:

- How the person has made a substantial positive difference to the seafood industry.
- How the person's contribution has been sustained over many years.
- How the person has demonstrated sound leadership by setting a vision and empowering others to achieve it.
- That the person is highly respected by industry colleagues.

Nominations should provide comprehensive information about the nominee, and strong evidence of how and to what degree the nominee meets the criteria.

Where possible the nomination should include quantitative as well as qualitative evidence. Additional supporting material such as photos, reports, marketing material or any other relevant supporting documentation is recommended to complement your claim against the judging criteria. documentation is recommended to complement your claim against the judging criteria.
